“Nathaniel Henry, at age 21, was in Delaware Co., Ohio on the Scioto River for a short time. (His father, Philip Henry, purchased 220 a. but never lived there.)”

“The Tabler Lion 1960's -

‘The Grundy County Pioneer Nathaniel Henry Tabler 1809 - 1885 son of Philip Henry and Mary Oller Tabler - born and married in W.Va., Berkeley County - went first to the Ohio Territory and thence to the County of Grundy in 1833. The epic story of the covered wagon trip with the Cryder Family has been excellently recorded for posterity by one of the Cryder children and pioneer friendship of these two families has been well preserved in annual reunions for nearly fifty years.’ (Three families - Tabler, Cryder and Walling made the wagon trip to Grundy Co.)
